Dear Community Members and Business Owners,

From this town's earliest days, establishing and continuing treasured traditions have been part of our history. Let's have an outdoor Autumn Summer Movie Night on the Henry Miller Plaza!! Movie Nights of the last two summers bring back lots of fond and fun memories to many in our community. Wouldn't fun memories of summer movies on the Plaza be a wonderful tradition to continue! As we all recognize, the City's budget is strained for anything but necessary services. However, our community spirit for a movie night is alive and strong. The path to provide for a Saturday movie night for late September or early October is with a fund raiser of which we can all be participants.

To give you a little insight, each movie night costs \$7400.00 which everything from movie rental, set-up, presentation, and tear-down by contractor personnel and overtime for specific City employees required for such events. In order to schedule the specific Saturday night for this event, the full amount to cover the event is required from collected donations before further arrangements are made; however, depending on when this goal is met, the soonest the movie would be scheduled is September 20th and the latest is Oct 4th. The movie selection will be from the Classics.

This year we would be grateful if you could donate towards this event (your donation is tax deductible). Your check or money order should be made out to City of Los Banos Movie Night. Please mail or drop off your donation (no cash contributions) to 830 6th Street, Los Banos, CA 93635. Donations of \$100.00 or more will be noted in The Paper and the Los Banos Enterprise. With your help, we could continue to give an evening of family entertainment "in the living room of our community." If you have any questions, please call Megan (ext. 16) at (209) 827-7034.

Thank you for your consideration.

Respectfully,
