

PRESS RELEASE PRESS RELEASE PRESS RELEASE

In our ongoing attempt to reduce juvenile crime in Los Banos the Police Department will begin a summer campaign targeting alcohol, graffiti and tobacco related crimes, known as "Safe Summer, 2007."

Throughout the summer the Los Banos Police Department will be using underage decoys to purchase alcohol, spray paint and tobacco products from businesses throughout Los Banos.

We believe that reducing the availability of these items, reminding parents to involve their children in positive activities during the summer and knowing where your children are and what they are doing at all times, will help reduce the opportunity for crime.

The Department will also be conducting DUI checkpoints and taking aggressive enforcement actions during our activities.

Our goal is to continue to make Los Banos one of the safest cities in the central valley.
