

**FRESH OIL FRESH OIL FRESH OIL**

## **STREET WORK NOTICE**

**LOCATION TO BE SPRAYED: Willmott Rd**

**FROM: Clayton Ct TO: Kiwi Ct**

**On: September 13, 2006**

**Between Hrs: 6am & 3pm your street will be sealed.  
Actual times may vary.**

The City of Los Banos Public Works Department will be sealing your street with Liquid Asphalt Emulsion. The street area to be sealed will be done on the date indicated above. On the day before the sealing a street department crew will be preparing the street. Please have all vehicles and trailers removed from the street area being sprayed between the hours of 6am and 3pm for preparation. On the date and time indicated above, **in bold**, please have all vehicles and trailers removed from the street area being sprayed between the hours of 6am and 3pm. Once the area has been sprayed, the drying process could be up to 6 hours. No vehicular or pedestrian traffic will be allowed within the resurfacing area from start of the spraying until the barricades are removed. All parked cars must be removed from the street. Vehicles not removed from the street may be towed. You will be responsible for fees incurred if your vehicle is towed. Any vehicles you may need for transportation during the street closure time will need to be parked adjacent to or outside the closure area. The City of Los Banos would appreciate your driving with caution for a few days, due to the application of a light coat of sand. We appreciate your help. With your cooperation, the inconvenience can held to a minimum. Any questions about this notice can be directed to the phone number below.

**Thank You.**
