**The Parks Master Plan is being updated for the City of Los Banos Parks and Recreation Division. With consultant support from QK Engineering the Parks Master Plan process began in winter 2019 with stakeholder meetings. On January 9th, 2020 a community meeting drew over 100 people!**

**On September 10th, 2020 a second community meeting will be held. The Parks Master Plan will also be presented to the Parks and Recreation Commission in October and at a City Council meeting this winter for approval.**

**Please support us as we help to plan the next 15+ years for Parks in Los Banos!!**
