

City of Los Banos

At the Crossroads of California

Agenda Staff Report

TO: Mayor and Council Members

FROM: Steve Carrigan, City Manager 
William A. Vaughn, City Attorney

DATE: July 30, 2014

SUBJECT: Submission of By-District Method Election of City Council Members to the Voters Pursuant to California Government Code § 34871

TYPE OF REPORT: Non Consent Agenda

Recommendation:

The recommendation from the City Manager and the City Attorney is for the City Council of the City of Los Banos to

1. Conduct a second public hearing regarding the proposed draft council district plans, and
2. Review a draft of a resolution and ordinance calling for a special ballot measure election to be held in the City of Los Banos on Tuesday, November 4, 2014, in consolidation with the statewide general election, at which there will be submitted to the qualified electors of the City of Los Banos a ballot measure seeking voter approval to provide for the election of the members of the City Council of the City of Los Banos by districts in four districts with a separately-elected mayor, elected on a Citywide basis.

The City Manager and City Attorney are not recommending that the Council take any action with respect to the proposed resolution at this meeting. In accordance with the redistricting timeline adopted by this Council in commencing this process, final action on the resolution is anticipated for the Council's regularly-scheduled meeting on August 6, 2014.

Background:

On June 4, the Council adopted Resolution No. 5584 to begin the process for submission of a by-district election method of City Council-members to the voters at the November 4, 2014, statewide election. The City has retained an experienced redistricting/demographic consulting firm, National Demographics Corporation (“NDC”), and experienced special legal counsel, Nielsen Merksamer Parrinello Gross & Leoni LLP (“Nielsen Merksamer”), to advise the City on the process of preparing a Council district plan for submission to the voters. Following presentations by NDC and Nielsen Merksamer on June 18, 2014, the Council adopted Resolution No. 5587, setting forth the criteria to guide the creation of a council district plan.

On June 25, 2014, an initial set of four draft council district plans, prepared by the City’s demographic consultant according to the criteria set forth in Resolution No. 5587, were made publicly available on the City’s website, and at the regular City Council meeting on July 2, 2014, the demographic consultant presented the four initial draft council district plans to the Council and the members of the public, after which the Council solicited public comments on the draft plans.

At its July 18, 2014, meeting, the Council conducted a duly-noticed public hearing regarding the four draft district proposals from the consultant as well as a fifth district plan proposed by a member of the public (Public Plan A1). Following the public hearing, the Council requested the preparation of a resolution and ordinance for submission of draft council district Plan 3 to the voters in November.

Discussion:

If the resolution is ultimately approved by the City Council following a second reading, anticipated to take place on August 6, 2014, the following ballot question would be placed on the November 4, 2014 ballot:

“LOS BANOS COUNCIL DISTRICTS. Shall four members of the legislative body of the City of Los Banos be elected by districts described in Ordinance No. ____, and the Mayor of the City of Los Banos be elected on a citywide basis by the voters of the entire city to serve a two-year term?”	YES	(+)
	NO	(+)

The ballot measure to adopt by-district Council elections shall be approved if a majority of the votes cast on the measure are affirmative.

The first district-based elections would be conducted at the next general municipal election in November 2016. Councilmembers would be elected in Districts 1 and 4 at the election in 2016 and in Districts 2 and 3 at the election in 2018. Councilmembers would continue to serve four year terms.

State law provides that the adoption of district-based elections shall not affect the terms of sitting Councilmembers, so Councilmembers elected in 2012 would continue to serve out their terms until 2016, but could only run for re-election in the district in which he or she resides. Councilmembers elected in 2014 would continue to serve out their terms until 2018, but could then only run for re-election in the district in which he or she resides.

Fiscal Impact:

There will be significant legal, experts, consultants, and processing costs associated with this process however, as of this writing those fiscal impacts cannot be accurately estimated.

- The boundaries of the Council districts shall be established so that the Council districts are equal in population as defined by law.
- The boundaries of the Council districts shall not be gerrymandered in violation of the principles established by the United States Supreme Court in *Shaw v. Reno*, 509 U.S. 630 (1993), and its progeny.
- The boundaries of the Council districts shall be established so that the Council districts do not result in a denial or abridgement of the right of any citizen to vote on account of race or color as provided in Section 2 of the federal Voting Rights Act.
- The boundaries of the Council districts shall observe communities of interest including rural or urban populations, municipalities, social interests, agricultural, industrial or service industry interests, and the like, insofar as practicable.
- The boundaries of the Council districts shall be compact, insofar as practicable.
- The boundaries of the Council districts shall be created to contain cohesive, contiguous territory, insofar as practicable.
- The boundaries of the Council districts may observe topography and geography, such as the existence of mountains, flat land, forest lands, man-made geographical features such as highways and canals, etc. as natural divisions between districts, insofar as practicable.
- Unless otherwise required by law, the Council districts shall be created using whole census blocks.
- The boundaries of the Council districts may seek to avoid the “pairing” of incumbents in the same Council districts, insofar as this does not conflict with the constitution and laws of the State of California and the United States, and insofar as feasible.
- The boundaries of the Council districts shall comply with such other factors which become known during the redistricting process and are formally adopted by the City Council; and

WHEREAS, on June 25, 2014, an initial set of four draft council district plans, prepared by the City’s demographic consultant according to the criteria set forth above, were made publicly available on the City’s website; and

WHEREAS, at a special meeting on July 30, 2014, the Council conducted a second duly-noticed public hearing regarding the draft district proposals previously presented; and

WHEREAS, the Council has considered all public comments on the proposed council district plans; and

WHEREAS, the populations in the proposed districts of all five draft council district plans are reasonably equal in compliance with legal requirements; and

WHEREAS, Section 2 of the Voting Rights Act, 42 U.S.C. § 1973 prohibits the use of any voting qualification, or prerequisite to voting, or standard, practice, or procedure in a manner which results in a denial or abridgement of the right of any citizen of the United States to vote on account of race or color, and all five draft council district plans comply with section 2 of the Voting Rights Act; and

WHEREAS, all five draft council district plans anticipate the use of a single-member, by-district electoral system, and thereby comply with the California Voting Rights Act; and

WHEREAS, each of the plans is drawn to be compact and to contain cohesive, contiguous territory to the extent possible; and

WHEREAS, each of the plans is drawn to take into account geography, topography, and communities of interest to the extent possible; and

WHEREAS, each of the draft council district plans is drawn to avoid the “pairing” of incumbent Council-members to the extent feasibly possible, consistent with the other criteria set forth in Resolution No. 5587; and

WHEREAS, the Council believes that the districts contained in proposed Plan 3, incorporated herein, best reflect the criteria adopted in Resolution No. 5587, and best serve the interests of the City and the public at large;

THE PEOPLE OF THE CITY OF LOS BANOS DO ORDAIN AS FOLLOWS:

SECTION 1. PURPOSE.

WHEREAS, the City of Los Banos supports the full participation of all residents in electing members of the City Council; and

WHEREAS, members of the public have petitioned the City Council to adopt “by-district” voting for the City Council, contending that such a system would better promote the full participation of all residents in electing members of the City Council; and

WHEREAS, under the provisions of California Government Code sections 34870-34884 and 34900-34906, a proposal to adopt district-based voting in a general law city must be submitted to the voters of the City; and

WHEREAS, pursuant to the laws relating to general law cities in the State of California, a general municipal election shall be held on November 4, 2014, for the purpose of electing members of the Los Banos City Council; and

WHEREAS, the Council supports the adoption of by-district elections and supports the submission of a proposal to adopt district-based voting to the voters of Los Banos; and

The purpose of this Ordinance is to enact, pursuant to California Government Code sections 34870-34906, an ordinance providing for the election of the members of the City Council of the City of Los Banos by districts in four districts with a separately-elected mayor, elected on a Citywide basis.

SECTION 2. AMENDMENT TO CODE.

Title 2, Chapter 1, of the Los Banos Municipal Code is amended to add Article 1 thereto, to read as follows:

Article 2. Method of election of Mayor and City Council.

Sec. 2-2.101 Method of election.

(a) Pursuant to California Government Code sections 34871(c) and 34881, members of the legislative body of Los Banos shall be elected by districts in four (4) districts with a separately-elected mayor elected Citywide pursuant to Article 5 (commencing with Section 34900) of the Government Code.

(b) Mayor. The Mayor shall be elected by the voters of the entire City at each general municipal election, and shall serve a two-year term until his or her successor is elected and qualified. (c) Councilmembers.

(1) Beginning with the general municipal election in November 2016, members of the City Council shall be elected in the electoral districts established by Section 2-2.102 and subsequently reapportioned as provided by state law. Elections shall take place on a "by-district" basis as that term is defined in California Government Code section 34871, meaning one member of the Council shall be elected from each district, by the voters of that district alone. Each member of the Council shall serve a four-year term until his or her successor is elected and qualified.

(2) Except as provided in subdivision (3) hereof, the Councilmember elected to represent a district must reside in that district and be a registered voter in that district, and any candidate for the Council must live in, and be a registered voter in, the district in which he or she seeks election.
