ADDENDUM NO. 1

November 18, 2016

PROPOSAL FOR THE PURCHASE OF ONE NEW 2016/2017 MODEL TRAILER MOUNTED 6 INCH TRASH PUMP

City of Los Banos
Public Works Department
411 Madison Avenue
Los Banos, CA 93635
(209) 827-7056

Mark Fachin P.E.
Public Works Director/ City Engineer

Bidders are hereby informed that the Bid Specifications for the above referenced proposal have been modified, corrected, and/or supplemented.

The following section shall replace the same named section in the Bid Specifications: Specifications Compliance. An Addendum Acknowledgment page has been added. The modified pages must be submitted with the Bid Proposal forms. Additions/revisions are shown in italic and are underlined; deletions are shown with strikethrough.

Any Proposal submitted without the modified pages shall be considered non-responsive and shall be rejected.

Specifications Compliance

The Bidder shall note their compliance with each specification in the box provided with an X or check mark. Each line item requires an X or check mark. **Any specification left blank shall be considered a non-responsive Bid and will be rejected.** Any deviations from the specifications or where submitted literature does not fully support the meeting of the specifications, must be clearly cited and explained by the Bidder in the comment section following the specifications. The Owner will be responsible for determining specifications compliance.

Yes No Each line specification requires checking either the Yes or No box

- Pump supplied shall be the manufacturer's current production model and shall be bid with all of the standard equipment as specified in the manufacturer's printed literature. In addition, the pump shall include the equipment shown on the subsequent specifications, but may not be limited to said equipment.
- Bidder shall quote purchase price to include manufacturer's warranty for one (1) New 2016/2017 Model Trailer Mounted 6 Inch Trash Pump. The warranty shall commence upon acceptance of the completed equipment by the Owner.
- Bidder shall quote the price for the one (1) New 2016/2017 Model Trailer Mounted 6 Inch Trash Pump including eight percent (8%) sales tax, but excluding Federal excise tax. Bidder quote shall include delivery charges to the Owner.
- Pump must meet all current air quality standards, California Emission Control Regulations, all Federal Safety Standards, and Department of Motor Vehicle Regulations.
- Bid shall include estimated delivery date of the New 2016/2017 Model Trailer Mounted 6 Inch Trash Pump. The estimated delivery date shall be one hundred eighty (180) days or less from the date of bid award.
- In the event that the new pump has not arrived at the Owner facilities, 1015 F Street, Los Banos California, on or before the estimated delivery date, liquidated damages can be charged at the rate of one percent per calendar day of the unit price of the pump not delivered in accordance with the time specified on the bid proposal.

CHASSIS

(All items in this section shall be "or equivalent")

Yes No Each line item specification requires checking either the Yes or No box

- 6 inch capacity pump nominal and automatic self priming, handling sewage with solids up to 3.0 inches in diameter (Maximum capacity 2,290 USGPM)
- Dual Floats to operate pump automatically
- Lift capacity 25 feet (Maximum)
