Notice of Construction Work

Sixth Street / K Street Storm Line Construction Project

The City of Los Banos has contracted with Floyd Johnston Construction for the installation of an underground storm drain trunk line. In accordance with the construction plans and special provisions for the storm line construction project, please be advised of the following downtown streets that will experience traffic delays this summer:

Seventh Street between Pacheco Blvd and I Street
K Street between Seventh Street and Sixth Street
Sixth Street between K Street and M Street

Construction Schedule **June 11, 2018 to August 1, 2018**

Residents affected by the construction will have access to their driveways during construction. Customers will have access to affected businesses during construction. Every effort will be made to minimize any inconvenience created by this project. Construction dates are subject to change due to unforeseen circumstances. Thank you, in advance, for your cooperation in our efforts to better serve your community. Should you have any questions about this project, contact the City of Los Banos Public Works Department at 827-7056. Please feel free to contact us at any time during normal working hours.
