DATE: July 1, 2020

TO: Mayor Villalta and City Council Members

FROM: William A. Vaughn, City Attorney

RE: Placing a Resolution designating the City Manager to execute the certification for receipt of funds pursuant to paragraphs (2) or (3) of subdivision (d) of control section 11.90 of the Budget Act of 2020, for the purpose of obtaining the City's allocation of the Coronavirus Relief Fund.

Recommendation:

By motion make a determination:

- there is an immediate need to take action;
- the need arose after the posting of the agenda (notified of certification deadline of no later than 11:59 p.m. Pacific Daylight Time on July 10, 2020 after City's agenda was posted); and
- the above referenced item be placed on tonight's Agenda for consideration pursuant to California Government Code section 54954.2(b)(2).

Background:

The Brown Act generally prohibits any action or discussion of items not on the posted agenda. However, there are three specific situations in which a legislative body can act on an item not on the agenda:

1) When a majority decides there is an "emergency situation" (as defined for emergency meetings); or

2) When **two-thirds** of the members present (or all members if less than two-thirds are present) determine there is a need for immediate action and the need to take action "came to the attention of the local agency subsequent to the agenda being posted." This exception requires a degree of urgency. Further, an item cannot be considered under this provision if the legislative body or the staff knew about the need to take immediate action before the agenda was posted. A

new need does not arise because staff forgot to put an item on the agenda or because an applicant missed a deadline; or

3) When an item appeared on the agenda of, and was continued from, a meeting held not more than five days earlier. (California Government Code section 54954.2(b)).

Discussion:

The deadline to submit the certification requesting receipt of funds from the Coronavirus Relief Fund Allocations **is July 10, 2020**. Staff was unaware of the deadline until the California Department of Finance posted the information and the certification process deadline for the Coronavirus Relief Fund Allocations late on **June 30, 2020** after the City Council Agenda was posted.

Staff is requesting that the item be placed on tonight's agenda (consideration and adoption of the above referenced resolution) because the need to take action "came to the attention of the local agency subsequent to the agenda being posted." (California Government Code section 54954.2(b)(2)).

Agenda Staff Report

TO: Mayor Villalta & City Council Members

FROM: Sonya Williams, Finance Director

DATE: July 1, 2020

SUBJECT: Designation of the City Manager to execute the certification for receipt of funds pursuant to paragraphs (2) or (3) of subdivision (d) of control section 11.90 of the Budget Act of 2020, for the purpose of obtaining the City's allocation of the Coronavirus Relief Fund.

TYPE OF REPORT: Consent Agenda

Recommendation:

Staff recommends that Council adopt a Resolution designating the City Manager to execute the certification for receipt of funds pursuant to paragraphs (2) or (3) of subdivision (d) of control section 11.90 of the Budget Act of 2020, for the purpose of obtaining the City's allocation of the Coronavirus Relief Fund.

Discussion:

The California State Budget authorized the Department of Finance to allocate \$1,289,065,000 to address the public health and public safety impacts of COVID-19. The Coronavirus Relief Fund specifies that funds can be used to cover expenses that:

- Are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
- Were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES act) for the State or government; and
- Were unbudgeted costs incurred between March 1, 2020 and December 30, 2020;

Funding is contingent on the local jurisdiction's adherence to federal guidelines, stay at home orders, and Executive Orders. Funding will be allocated in installments, the first allocation will total one sixth of the City's total allocation. The City is eligible to receive \$517,629. In order to be eligible for these funds, a properly executed Certification for Receipt of Funds is due no later than July 10, 2020.

Additionally, the City is required to retain records that support reported COVID-19 eligible expenditures in accordance with the Budget Act of 2020. The City will further be required to report on the status of expenditures by September 1, 2020. Any unspent funds must be returned by October 30, 2020. Any costs deemed disallowed after review of records will have to be repaid to the State.

Fiscal Impact:

By executing this form and adopting the resolution, designating the City Manager to execute the certification for receipt of funds pursuant to paragraphs (2) or (3) of subdivision (d) of control section 11.90 of the Budget Act of 2020, for the purpose of obtaining the City's allocation of the Coronavirus Relief Fund, the City will receive a direct allocation of \$517,629 to aide in the impacts of COVID-19.
